# **THE COMMUNIST PARTY MANIFESTO.**

The world is on the verge of a new era. Europe is in revolt. The masses of Asia are stirring uneasily. Capitalism is in collapse. The workers of the world are seeing a new life and securing new courage. Out of the night of war is coming a new day.

The spectre of Communism haunts the world of capitalism. Communism, the hope of the workers to end misery and oppression.

The workers of Russia smashed the front of international Capitalism and Imperialism. They broke the chains of the terrible war; and in the midst of agony, starvation and the attacks of the capitalists of the world, they are creating a new social order.

The class war rages fiercely in all nations. Everywhere the workers are in a desperate struggle against their capitalist masters. The call to action has come. The workers must answer the call!

The Communist Party of America is the party of the working class. The Communist Party proposes to end Capitalism and organize a workers' industrial republic. The workers must control industry and dispose of the products of industry. The Communist Party is a party realizing the limitations of all existing workers' organizations and proposes to develop the revolutionary movement necessary to free the workers from the oppression of Capitalism. The Communist Party insists that the problems of the American worker are identical with the problems of the workers of the world.

## **THE WAR AND SOCIALISM.**

A giant struggle is convulsing the world. The war is at end, but peace is not here. The struggle is between the capitalist nations of the world and the international proletariat, inspired by Soviet Russia. The Imperialisms of the world are desperately arraying themselves against the onswEEPing proletarian revolution.
